Linux

How to undelete removed/deleted files on an ext3 fs?

Well, there are three ways I know and have succeeded so far:

- Follow this instructions: http://www.xs4all.nl/~carlo17/howto/undelete_ext3.html
- the other way is to scan the partition/drive for file signatures with PhotoRec, as found on the SystemRescueCD
- from the guys providing PhotoRec you can also get TestDisk, which also works great!

Unique solution ID: #1058
